Group Description:

PAX Unplugged will be an exciting analog-focused extension of our already existing portfolio of PAX events. We've found that the Tabletop parts of PAX have grown and grown to the point where we said, "You know what? Let's make a show that's just that." PAX Unplugged is an event specifically tailored to gamers of all ages. All of the content throughout the show is meant to be enjoyed by the entire family all weekend and what's more, Sunday's offerings are specifically set up to appeal to our younger gamers in attendance.
